Course Name	**Statistical Analysis and Problem Solving**
QP Name & QP CODE	**Introduction to Statistical Analysis and Problem Solving – HCLT/N0029/IT/2024**
Course Code	**G51**
Course Duration	**30 hrs**
Credit	**1**
Sector	**IT-ITeS**
NSQF Level	**5**
Description	**In the role of data engineer, one should understand and apply various statistical tools and develop a detailed understanding of basic statistical concepts.**
Progression Pathway	**Data Engineer, Data Analyst, Data Scientist, Principal Data Scientist**
Qualification	**Pursuing UG 2nd year(No experience)**
Mode Of Training	**Offline Mode & Hybrid Mode**
Department	**Maths, Management, Economics & Statistics**
